*however*, that mere ownership of the Illinois Property by the EP Custodial Trust after the Effective Date shall not constitute a “new act” creating liability. For the avoidance of doubt, the issuance, support, and continued maintenance of letters of credit or other Funding that may be provided under Section 2.1(b) of the Custodial Trust Agreement by or at the direction of the New HoldCo and/or any of the NewCos shall not constitute a “new act” giving rise to liability. The United States reserves all rights relating to enforcement of the requirements of this Agreement consistent with the requirements of the Custodial Trust Agreement. The Covenant Parties shall be deemed to have resolved their civil liability as provided herein under CERCLA and regulations promulgated thereunder to the United States with respect to the Illinois Property. The United States’ covenant not to sue each Covenant Party is conditioned upon the satisfactory performance by that Covenant Party of its obligations under this Agreement.

(b) IEPA’s Covenant Not to Sue. In consideration of the actions that will be performed pursuant to this Agreement, the IEPA on its own behalf covenants not to bring a civil judicial or civil administrative action or take any other civil action against the Covenant Parties under CERCLA and regulations promulgated thereunder and any other applicable state environmental statute or regulation, including, but not limited to, the Illinois Environmental Protection Act, 415 ILCS 5/1 *et. seq.* with respect to the Illinois Property; *provided, however*, nothing herein shall relieve any Covenant Party of any liability for any new acts by such Party after the Effective Date to the extent such acts (including operation or ownership of the Property after the Effective Date) create liability under Environmental Laws with respect to the Illinois Property; *provided, however*, that mere ownership of the Illinois Property by the EP Custodial Trust after the Effective Date shall not constitute a “new act” creating liability. For the avoidance of doubt, the issuance, support, and continued maintenance of letters of credit or other

Funding that may be provided under Section 2.1(b) of the Custodial Trust Agreement by or at the direction of the New HoldCo and/or any of the NewCos shall not constitute a “new act” giving rise to liability. The IEPA reserves all rights relating to enforcement of the requirements of this Agreement consistent with the Custodial Trust Agreement. The Covenant Parties shall be deemed to have resolved their civil liability as provided herein under CERCLA and regulations promulgated thereunder and any other applicable state environmental statute or regulation, including, but not limited to, the Illinois Environmental Protection Act, 415 ILCS 5/1 *et. seq.* to the IEPA with respect to the Illinois Property. The IEPA’s covenant not to sue each Covenant Party is conditioned upon the satisfactory performance of that Covenant Party of its obligations under this Agreement.

(c) Successor Protection. Without limiting any discharge, release, or injunction afforded as a result of orders or actions of the Bankruptcy Court, the covenants not to sue and exceptions thereto above shall also apply to Debtors’ successors, assigns, employees, officers, and directors but only to the extent that the alleged liability of such successor, assign, employee, officer, or director is based upon its respective status as a successor, assign, employee, officer, or director, and not to the extent that the alleged liability arose independently of the alleged liability of Debtors.

(d) Debtors’ and Custodial Trustee’s Covenant Not to Sue. Debtors and the Custodial Trustee covenant not to sue and the Plan and/or Confirmation Order shall provide that the Plan Trust, New HoldCo and NewCos covenant not to sue, the United States and all of their departments, agencies, and instrumentalities or the IEPA for contribution or reimbursement for Environmental Actions and Environmental Costs with respect to the Illinois Property, including but not limited to:

(i) any direct or indirect claim for reimbursement from the Hazardous Substances Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b)(2), 107, 111, 112, 113 or any other provision of law or similar funds of the IEPA;

(ii) any claims against the United States or the IEPA, and any of their departments, agencies, and instrumentalities under CERCLA Sections 107 or 113 or similar State statutes related to the Illinois Property; *provided, however*, nothing herein shall relieve any Covenant Party of any liability for any new acts by such Party after the Effective Date to the extent such acts (including operation or ownership of the Property after the Effective Date) create liability under Environmental Laws with respect to the Illinois Property; provided, however, that mere ownership of the Illinois Property by the EP Custodial Trust after the Effective Date shall not constitute a “new act” creating liability. For the avoidance of doubt, the issuance, support, and continued maintenance of letters of credit or other Funding that may be provided under Section 2.1(b) of the Custodial Trust Agreement by or at the direction of the New HoldCo and/or any of the NewCos shall not constitute a “new act” giving rise to liability; and

(iii) any claims arising out of Environmental Actions at or in connection with the Illinois Property, including any claim under the United States Constitution, the Constitution of the State, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law.

(e) Reservations of Rights. Notwithstanding any provision of this Agreement, the United States and the IEPA retain all access authorities and rights and information gathering authorities and rights with respect to the Illinois Property, including enforcement authorities

related thereto, under CERCLA and similar state statutes, and any other applicable statute or regulations.

Debtors, Plan Trust, New HoldCo, NewCos and the Custodial Trustee reserve all rights relating to enforcement of the provisions of this Agreement consistent with Section 13 of this Agreement and the Custodial Trust Agreement.

Nothing in this Agreement shall excuse the EP Custodial Trust from any disclosure or notification requirements imposed by CERCLA or any other applicable federal or state law or regulation. Nothing in this Agreement shall be deemed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA or 40 C.F.R. § 300.700(d).

In the event of any action or occurrence during the performance of the work which causes or threatens a release of Hazardous Substances from the site that constitutes an emergency situation or a situation that presents an immediate threat to public health or welfare or the environment, the Custodial Trustee shall immediately take all appropriate action to prevent, abate, or minimize such release or threat of release. In the event that the Custodial Trustee fails to take appropriate response action, the Lead Agency may take appropriate response action as required by this Section and the Custodial Trustee, with the approval of the Bankruptcy Court upon application by the Lead Agency with respect thereto, shall reimburse the Lead Agency for all costs of the response action necessary to prevent, abate or minimize the release or threat of release.

Nothing in this Agreement shall be deemed to limit the authority of the Governmental Parties to take response action under Section 104 of CERCLA or any other applicable law or regulation; *provided, however*, that if either or both of the Governmental Parties does take such response action at or with regard to the Illinois Property, the Governmental Parties shall not seek

and shall not be entitled to recover any response or similar costs associated with such response action from the Debtors, Plan Trust, New HoldCo, the NewCos, the Custodial Trust Parties and the EP Custodial Trust; *provided further*, that the foregoing sentence shall not be construed to limit or be in derogation of the rights of the Governmental Parties under Section 4.3 of the Custodial Trust Agreement, the preceding paragraph of this Section 7(e) or the exceptions set forth in Sections 7(a), (b) and (d) for new acts.

**8. Contribution Protection/Third Parties.**

The Covenant Parties have resolved their liability, if any, under CERCLA and similar state statutes and federal and state regulations promulgated thereunder as provided herein and are entitled to protection from contribution actions or claims as provided by CERCLA § 113(f)(2) for matters addressed by this Agreement. Neither the Plan Trust nor New HoldCo or any of the NewCos shall have any liability to any party for the Environmental Actions, subject to the exceptions set forth in Section 7(a) and (b) above for new acts. Matters addressed by this Agreement for purposes of contribution protection shall include all claims or causes of action under CERCLA and regulations promulgated thereunder and similar state statutes and regulations, including the Illinois Environmental Protection Act, 415 ILCS 5/1 *et seq.*, with respect to the Illinois Property.

**9. Proofs of Claim and Administrative Expenses.**

Any proofs of claim and requests for administrative expenses against the Debtors with respect to the Illinois Property described in this Agreement are withdrawn with prejudice and expunged as resolved by the terms herein upon the Effective Date and the IEPA and the United States shall not be entitled to any distributions from the Settlers' estates with respect to the Illinois Property, except the funding described in Section 3 of this Agreement and the applicable

provisions of the Custodial Trust Agreement. All other proofs of claim not related to the Illinois Property remain unaffected by this Agreement.

**10. Liability of the EP Custodial Trust and the Custodial Trust Parties.**

## **EXHIBIT B**

### **DESCRIPTION OF PLANNED SCOPE OF WORK FOR THE GALENA, ILLINOIS SITE**

**This document sets forth the general Scope of Work (“SOW”) that will be implemented at the Galena, Illinois Site. Due to the limited data available at the time this SOW was prepared, the work to be performed may be expanded or otherwise modified based on additional information gathered during the Site Investigation Phase, or otherwise. In connection with the review and approval of the plans and reports submitted by the Custodial Trustee, the Lead Agency shall consult with the other Governmental Party in accordance with Section 4 (c) of the Settlement Agreement.**

#### ***Site Investigation***

A Site Investigation Plan will be prepared by the Custodial Trustee and submitted to the Governmental Parties for review, and approval by the Lead Agency. Conceptually, the Site Investigation Plan will include, but is not limited to, the following:

- Performance of a ground penetrating radar (GPR) survey to investigate topographic features that suggest potential soil or groundwater contamination;
- Collection of surface soil samples using a broad grid system southwest of the tributary of Millbrig Creek that transects the northeast portion of the property and outside of the drainage way;
- Collection of soil samples using a tighter grid system within the former lead storage pad area and the drainage way;
- Collection of samples of the sediment in the stream bed and of the surface water on the Property;
- Collection of samples from previously identified drum areas, including the remnant basement foundation located on the southeastern portion of the property described in the May 15, 2006 ENVIRON International Corporation Declaration;
- Installation of temporary shallow monitoring wells to sample the shallow groundwater, if present, in the vicinity of the drainage way;
- Soil probes to further investigate the results of the GPR survey, as necessary;

- Field analysis of all soil, sediment and surface water samples for total lead and total zinc (i.e. XRF);
- Laboratory analysis of a subset of all the soil, sediment and surface water samples for total RCRA metals and zinc;
- Laboratory analysis of a subset of the soil samples from the previously identified drum areas, including the remnant basement foundation located on the southeastern portion of the Property, for a full-scan of constituents of concern (i.e. total RCRA metals and zinc, total volatile organic compounds (VOCs), total semi-volatile organic compounds (SVOCs), total pesticides, total herbicides, cyanide and PCBs);
- Collection and analysis of groundwater samples collected from the temporary monitoring wells for total VOCs and total RCRA metals and zinc, if ground water is present; and
- Preparation of a risk assessment, as appropriate, to determine risk based cleanup objectives for the Site.

Upon approval of the Site Investigation Plan by the Lead Agency, the Site Investigation Plan will be implemented by the Custodial Trustee. Following implementation of the Site Investigation Plan, the Custodial Trustee will prepare a Site Investigation Report (which shall include the risk assessment, if performed). The Site Investigation Report will be submitted by the Custodial Trustee to the Governmental Parties for review, and approval by the Lead Agency.

### ***Site Remediation***

Appropriate site remediation will be initially determined by the Custodial Trustee after reviewing the site investigation, risk assessment and cleanup objectives for the site. A Remedial Action Work Plan--designed to achieve the site remediation objectives-- will be prepared by the Custodial Trustee and submitted to the Governmental Parties for review, and approval by the Lead Agency. Anticipated site remediation activities may include but are not limited to the following:

- Removal of contaminated soil at the former lead storage pad area and in the drainage way and at other areas exhibiting constituent concentrations in soil above cleanup objectives;
- Removal of contaminated sediment above cleanup objectives from the stream bed on the Property and repair as needed;
- Confirmation sampling and analysis to determine attainment of cleanup objectives;
- Proper disposal of contaminated soil and sediment;

- Re-grading, contouring and backfilling, as necessary, of the drainage way;
- Installation of silt fencing;
- Vegetation of areas in the drainage way;
- Removal of drums, including those in the remnant basement foundation in the southeast portion of the property described in the May 15, 2006 ENVIRON International Corporation Declaration;
- Closure of mine ventilation shafts;
- Operation and maintenance including, as necessary, fertilizing and re-seeding of the revegetated portions of the remediated property during the three years following completion of that portion of the remedial activities
- Performance of NPDES permit annual inspections for three years; and
- Establish, maintain and enforce institutional controls (including a restrictive covenant to restrict land use), as appropriate.

Upon approval of the Remedial Action Work Plan, the Plan will be implemented by the Custodial Trustee. Upon completion of the remediation activities, the Custodial Trustee will submit a Remediation Report to the Governmental Parties for review, and approval by the Lead Agency.

## **ARTICLE II**

### **THE TRUST**

#### **2.1 Creation and Funding of Custodial Trust Accounts.**

(a) Pursuant to the Plan and Confirmation Order, the Settlers hereby transfer, assign, and deliver to the Custodial Trust, all right, title and interest in and to the Custodial Trust Assets for administration and distribution under this Agreement. The Custodial Trustee accepts the Custodial Trust Assets and agrees to hold, administer and distribute the same under the terms of this

Agreement, subject to the terms of the Plan, the Settlement Agreements, the Confirmation Order and any subsequent order, as provided herein.

(b) On the Effective Date, the Settlers shall cause to be transferred to the Custodial Trustee a combination of cash, letters of credit, or other cash equivalents in the aggregate amount of \$16,521,776.88 (the "Cash Funding"), which, together with the Lease Funding, constitutes the "Funding" and represents the aggregate amounts approved by the Court in the Confirmation Order as sufficient to pay the Environmental Costs and of administering the Custodial Trust. In addition, upon the Effective Date, the Settlers shall cause all of the Settlers' right, title and interest in and to the Properties to be transferred to the Custodial Trust. The transfer of the Properties shall be recorded in appropriate deed records indicating the ownership of the Properties by the applicable Custodial Trust Accounts.

(c) Upon receipt of the Properties and the Funding, the Custodial Trustee shall set aside in separate segregated trust accounts, or as otherwise provided in any Settlement Agreement, (i) each of the Properties, (ii) the Cash Funding with respect to that Property and (iii) the Lease Funding, if any, with respect to such Property. The Custodial Trustee shall also set aside in a separate account the Cash Funding provided for the general administration in the Administration Custodial Trust Account, which shall not own any Property. The separate accounts are referred to in this Agreement individually as a "Custodial Trust Account" and collectively as the "Custodial Trust Accounts." The initial Funding of each of the Custodial Trust Accounts shall be as set forth in "Exhibit B" to this Agreement. The income and gains from any investment of the Custodial Trust Assets, as well as the proceeds from the sale, transfer or other disposition of assets held in a Custodial Trust Account shall be allocated, paid and credited to such Custodial Trust Account, consistent with this Agreement.

(d) The Custodial Trustee shall allocate to each Custodial Trust Account, other than the Administration Custodial Trust Account, the Environmental Costs of Environmental Actions associated with the Property held in such account. The Custodial Trustee may divide a Custodial Trust Account into such number of trust sub-accounts dedicated for specific purposes as may be deemed necessary or desirable by the Custodial Trustee to administer the Custodial Trust in a manner consistent with this Agreement, the Plan and the Confirmation Order.

(e) After consultation with, and approval by, the Lead Agency, the Custodial Trustee may, but shall not be obligated to, obtain insurance or other similar financial instrument-the cost of which shall be paid out of the relevant Custodial Trust Account or Custodial Trust Accounts-to complete all or part of the Environmental Actions at one or more Properties. In addition, the Custodial Trustee may, but shall not be obligated to, obtain insurance-the cost of which shall be paid out of the Administration Custodial Trust Account-for the benefit of the Custodial Trust Parties (as defined herein) and the Custodial Trust, in connection with and in any way related to their roles, duties and obligations under this Agreement, the Settlement Agreements, the Plan, the Confirmation Order and any other related documents and orders in such amounts and on such terms as the Custodial Trustee may, in his discretion, determine for (i) personal injury, property damage and wrongful death and; (ii) investigation, remediation, response, closure and post closure associated with any of the properties (i.e., non-Designated and non-Transitional Properties) that may be affected by environmental conditions at or emanating from the Properties; provided, however, that the Custodial Trustee shall not purchase insurance that is otherwise the responsibility of New HoldCo or the NewCos under the TP Leases. Neither the Settlers nor any successors thereto shall have any further obligation to provide any funding to the Custodial Trust Accounts. Neither New HoldCo nor any NewCo (nor any of their respective

parents, subsidiaries, affiliates, members, partners, officers, directors, employees, agents, representatives, attorneys, professionals, successors and assigns) shall have any obligation or liability of any kind or nature with respect to the Properties, the Environmental Actions related to the Properties, the Custodial Trust Accounts, or this Agreement, *provided, however*, subject to Article 5 of this Agreement, nothing in this Agreement shall relieve any Person of any liability for any new acts after the Effective Date to the extent to which those new acts create liability under Environmental Laws and nothing in this Agreement shall relieve any Person that operates or owns the Properties after the Effective Date from any liability under Environmental Laws as an operator or owner of the Properties after the Effective Date, and *provided further*, that the Custodial Trustee, in his personal capacity, shall not be deemed to be an owner or operator of the Properties.

(f) Notwithstanding any other provision of this Agreement, the Plan, the Confirmation Order, the Settlement Agreements or any other related documents and orders, in the event the Custodial Trustee determines, or obtains a Court order determining, that (i) the Custodial Trust Assets and any other amounts that are available, pursuant to the terms of this Agreement, to pay the Environmental Costs are insufficient to pay the Environmental Costs in full at a substantial number of the Properties, or (ii) the assets of the Administration Custodial Trust Account are insufficient to pay the obligations to be paid from the Administration Custodial Trust Account, then the Custodial Trustee may immediately seek direction from the Court, and may, in the Custodial Trustee's sole discretion, resign effective 15 days after providing written notice to the Environmental Agencies and Plan Trustee, without awaiting acceptance of the office of a successor trustee, whereupon the Custodial Trustee shall be fully and finally released and discharged from all duties and obligations under this Agreement, the Plan, the Confirmation Order, the Settlement Agreements and all other related documents and orders.

## **2.2 Objective and Purpose.**

(a) Upon its formation, each of the Custodial Trust Accounts established by this Agreement is intended to be a “disputed ownership fund” as described in Treasury Regulation section 1.468B-9, which will be taxed as a C corporation.

(b) Consistent with this Agreement, the Custodial Trustee shall (i) manage the Properties, (ii) ascertain the scope of any necessary and appropriate Environmental Actions with respect to each of the Properties, (iii) to the extent needed, manage and implement Environmental Actions with respect to the Properties, (iv) lease the Transitional Properties pursuant to the terms of the TP Leases approved by the Court and enforce the terms of such leases, (v) execute and implement the terms of the Settlement Agreements, (vi) prosecute any claims that may, in the Custodial Trustee’s discretion, accrue to the benefit of the Custodial Trust, (vii) to the extent practical, lease, sell, transfer or otherwise dispose of the Properties to one or more third parties, any proceeds from which shall be distributed, as provided in this Agreement, and (viii) apply to the Court for an order providing direction at any time the Custodial Trustee determines, in his sole discretion, that such direction is desirable for determining rights or obligations under applicable documents, including this Agreement, the Settlement Agreements, the Plan, the Confirmation Order, or any other related documents and orders. In ascertaining and undertaking Environmental Actions, and in the lease, sale, transfer or disposition of the Properties, the Custodial Trustee shall have no duty, notwithstanding applicable law to the contrary, to maximize the proceeds of the sale, transfer or other disposition of any particular Property or with respect to any particular Current Beneficiary or Secondary Beneficiary, *provided, however*, that it is understood that the Custodial Trust Accounts have funding for certain contingencies and the Custodial Trustee has an

obligation to the Current Beneficiaries to release Over-Funding, if any, as set forth in Section 2.4(a) hereof.

(c) The Custodial Trustee shall apply Custodial Trust Assets from time to time held in the Custodial Trust Accounts to pay the costs of Environmental Actions related to the Properties associated with such Custodial Trust Accounts, the administrative costs of the Custodial Trust, and for other purposes set forth herein, the Plan, the Confirmation Order, and in the Settlement Agreements. To the extent any Custodial Trust Account holds cash and one or more letters of credit, the Custodial Trustee shall expend cash, subject to a reasonable reserve, before drawing on any letters of credit and shall draw on the letters of credit only to the extent needed to pay Environmental Costs and administrative costs projected to be incurred over the next year; *provided, however*, if the Custodial Trust receives notice from an issuer of a letter of credit or otherwise determines that such letter of credit will not be renewed, or a letter of credit is not automatically renewed within the time provided in the letter of credit, then in any such case the Custodial Trustee shall draw the then remaining amount of such letter of credit and deposit the proceeds in the designated Custodial Trust Accounts. The Custodial Trustee shall not be required to use amounts held in the Administration Custodial Trust Account for the costs of Environmental Actions. Further, except as expressly provided in the Settlement Agreements, administrative costs that are not Environmental Costs may be paid only from the Administration Custodial Trust Account and may not be paid from the Custodial Trust Accounts for Environmental Costs related to those accounts.

(d) The Custodial Trustee may enter into a settlement agreement or consent order with the United States and/or a State in which the Designated Property or Transitional Property is located to facilitate implementation of Section 2.2 of this Agreement.

## **2.3 Determination and Implementation of Environmental Actions.**

(a) The Custodial Trustee shall implement Environmental Actions consistent with the Settlement Agreements and applicable law.

(b) In the absence of terms to the contrary in the Settlement Agreements, the Custodial Trustee shall determine and implement Environmental Actions as follows:

(i) First, the Custodial Trustee shall develop a plan to obtain the necessary information to characterize the nature and extent of Hazardous Substances at each of the Properties as well as a schedule for implementation of the site characterization plans for each of the Properties. The Custodial Trustee may rely in part on information and data developed by the Settlers and the applicable Environmental Agencies in developing Funding estimates in characterizing the nature and extent of Hazardous Substances, if any, at the Properties. The Custodial Trustee shall thereafter use his best efforts consistent with professional standards to implement each site characterization plan, as it may be amended, in accordance with the schedule developed therefor.

(ii) Second, upon implementation of the site characterization plans and the obtaining of the necessary information to determine the nature and extent of the contamination at the Properties, the Custodial Trustee shall determine what Environmental Actions, if any, are required by applicable law to be implemented at the Properties beyond those previously implemented, or currently being implemented. The Custodial Trustee shall also develop a cost estimate and a schedule for the implementation of the Environmental Actions. The Custodial Trustee shall thereafter use his best efforts consistent with professional standards to implement any necessary or

appropriate Environmental Actions at the Properties in accordance with the schedules developed, and as they may be amended, therefor.

(c) To the extent permitted by law, standards selected for Environmental Actions shall be those that are applicable assuming continued industrial use of the Properties, unless the Custodial Trustee in his sole discretion determines that a more stringent standard would facilitate the sale, transfer or other disposition of the Properties. In addition, the Custodial Trustee shall use best efforts to utilize cost-effective and reasonable methods for investigation, remediation and/or containment (including, without limitation, use of “institutional” or “engineered” controls) consistent with applicable laws and regulations, except where the Custodial Trustee determines in his sole discretion that a more stringent standard would facilitate the sale, transfer or other disposition of the Properties; *provided, however*, that the Custodial Trustee, in his sole discretion, may pursue and advance Environmental Actions in such manner as to obtain one or more of No Further Action Letters, Covenants Not to Sue and other comparable documents from Environmental Agencies.

(d) The Custodial Trustee shall pursue and advance the Environmental Actions in good faith, without unreasonable delay, subject to any delay wholly or partially outside the control of the Custodial Trustee, and in compliance with all applicable laws and regulations. Nothing in this Agreement shall permit the Custodial Trustee to implement Environmental Actions contrary to applicable law, nor abrogate the powers of any governmental agency to implement or enforce applicable law with respect to the Custodial Trustee’s implementation of the Environmental Actions; further, nothing in this paragraph shall abrogate or diminish in any way the protections accorded the Custodial Trustee provided for in Section 4.9 and Article V of this Agreement.

## **2.4 Distributions to the Beneficiaries During the Custodial Trust Term.**

(a) Unless otherwise set forth in the Settlement Agreements, the Custodial Trustee shall (i) upon completion of the determination of the required Environmental Actions, if any, to be implemented at a particular Property, and (ii) again, upon completion of any Environmental Actions with respect to a Property, evaluate whether a distribution from the Custodial Trust Account holding such Property may be made to the Plan Trustee on behalf of the Current Beneficiaries. If, at either point, the Custodial Trustee determines that it holds funds in a Custodial Trust Account in excess of those required for Environmental Actions with respect to the Property held in such account (an “Over-Funding”), the Custodial Trustee may distribute such Over-Funding to the Current Beneficiaries. Concurrent with any distribution under this paragraph to the Plan Trustee for the benefit of the Current Beneficiaries, the Custodial Trustee shall identify for the Plan Trustee the Settlor that funded the particular Custodial Trust Account generating the Over-Funding to allow for identification of the Current Beneficiaries; otherwise, the Custodial Trustee shall have no duty to see that the Plan Trustee distributes the Over-Funding to those Persons entitled to it.

(b) The Custodial Trustee shall provide written notice of his intention to distribute a Residual Interest or an Over-Funding to the Agency Beneficiaries with jurisdiction over the Property held in such Custodial Trust Account (collectively, the “Distribution Notice Parties”). The Distribution Notice Parties shall have forty-five (45) days after the date of receipt of such written notice to object (the “Distribution Objection Period”) to the proposed distribution. The Custodial Trustee may proceed to make the proposed distribution upon the expiration of the Distribution Objection Period unless, prior to the expiration of such period, he receives a written notice of objection from one of the Distribution Notice Parties. If the Custodial Trustee receives

one or more objections, he may make such distribution only (i) after all timely and proper objections are withdrawn and notice of such withdrawal has been provided to the Distribution Notice Parties, or (ii) upon order of the Court.

(c) Until the Plan Trust terminates, the Custodial Trustee shall distribute the Residual Interests generated by a Custodial Trust Account, if any, and as from time to time available, and at reasonable intervals at the Custodial Trustee's discretion, to the Plan Trustee, for further distribution by the Plan Trustee to the Current Beneficiaries as specified in the Plan, Confirmation Order and Plan Trust. Concurrent with any distribution under this paragraph, the Custodial Trustee shall identify for the Plan Trustee the Settlor that funded the particular Custodial Trust Account generating the Residual Interest to allow for identification of the Current Beneficiaries; otherwise, the Custodial Trustee shall have no duty to see that the Plan Trustee distributes the Residual Interests to those Persons entitled to them.

(d) From and after the date on which the Plan Trust terminates, the Custodial Trustee shall distribute any Residual Interest held in a Custodial Trust Account, if any, to the State in which the Property held in the Custodial Trust Account is or was located. In the event the applicable State rejects a distribution of a Residual Interest in a Custodial Trust Account, the Custodial Trustee may distribute such Residual Interest to the county government in which the Property held in the Custodial Trust Account is or was located. In the event the county government will not accept the Custodial Trust Assets, then the Custodial Trustee may distribute such Custodial Trust Assets to one or more charities, in such amounts shares and interests as the Custodial Trustee shall designate in his sole discretion.

(e) Upon generation of any Residual Interest, the Custodial Trustee may retain up to fifteen percent (15%) of such Residual Interest if he has determined, in his sole discretion

reasonably exercised, that the amount then present in the Administration Custodial Trust Account (and proceeds thereof, if any) is more likely than not to be insufficient to satisfy the then projected administrative costs of the Custodial Trust through completion of all Environmental Actions. Any such portion of a Residual Interest retained shall be deposited in the Administration Custodial Trust Account, or one or more subaccounts thereof.

(f) Upon termination of the Custodial Trust, the Custodial Trustee shall distribute the balance of the Custodial Trust Assets, excluding the Properties, in any remaining Custodial Trust Accounts to either (a) the Plan Trustee, if the Plan Trust is then in existence, as provided by Section 2.4(c) of this Agreement, or (b) the Secondary Beneficiaries, as provided in Section 2.4(d) of this Agreement.

(g) The Plan Trust Beneficiaries and the Plan Trustee, who, under the Plan and Confirmation Order, are beneficiaries of the Custodial Trust, shall be referred to as the “Current Beneficiaries.” The beneficiaries of the Custodial Trust whose interests, if any, arise only upon termination of the Plan Trust shall be referred to as the “Secondary Beneficiaries.” The Agency Beneficiaries shall only be beneficiaries of those Custodial Trust Accounts that own Properties that are the subject of the Settlement Agreements to which the respective agencies are parties. The Current Beneficiaries, Secondary Beneficiaries and Agency Beneficiaries shall collectively be referred to as the “Beneficiaries.”

## **2.5 Assignment of Interests in Custodial Trust.**

No Beneficiary may transfer, convey, sell or assign its beneficial interest in the Custodial Trust.

## **2.6 Future Disposition of the Property.**

(a) Except as otherwise provided in the Settlement Agreements, the Custodial Trustee may at any time sell, transfer or otherwise dispose of all or part of each Property. Any disposition of Property shall be on an “as is” and “where is” basis. If Environmental Actions remain to be completed at the time of disposition, the Custodial Trustee shall be reasonably satisfied of the adequacy of the financial wherewithal of the buyer’s ability to complete any remaining Environmental Actions as a condition to any disposition and obtain the buyer’s agreement to complete the Environmental Actions consistent with this Agreement and any applicable Settlement Agreement, which agreement shall specify that the obligation to complete the Environmental Actions is enforceable by the Lead Agency and not the Custodial Trustee.

(b) Prior to such disposition, the Custodial Trustee shall provide written notice of his intent to dispose of a Property (the “Disposition Notice”) to (i) the Plan Trustee (by overnight mail), which shall provide notice to the Current Beneficiaries of the Custodial Trust Account in which such Property is held within five (5) business days of receiving such notice, and (ii) the Agency Beneficiaries with jurisdiction over the Property held in such Custodial Trust Account (collectively, the “Disposition Notice Parties”). The Custodial Trustee shall have no duty or obligation to ensure or confirm that the Plan Trustee has performed its duties under this or any other provision hereof. The Disposition Notice shall set forth a summary of the material terms of the proposed disposition, the status of Environmental Actions with respect to the Property in question and, if Environmental Actions remain to be completed at the time of disposition, a description of the financial wherewithal of the buyer to complete any remaining Environmental Actions and the terms binding the buyer to complete any remaining Environmental Actions. The Disposition Notice Parties shall have twenty (20) days after the date of receipt of the Disposition

Notice (the “Disposition Objection Period”) to deliver a written notice of objection to the Custodial Trustee. The Custodial Trustee may proceed to make the proposed disposition upon the expiration of the Disposition Objection Period unless, prior to the expiration of such period, it receives a written notice of objection from one or more of the Disposition Notice Parties. In such case, the Custodial Trustee may make such disposition only (i) after all timely and proper objections are withdrawn and notice of such withdrawal has been provided to the Disposition Notice Parties, or (ii) upon order of the Court.

(c) If, following termination of the Plan Trust and after all Environmental Actions with respect to the Properties have been completed, there are one or more Properties which the Custodial Trustee, after good faith efforts, has been unable to lease, sell, transfer or otherwise dispose of, then the Custodial Trustee may petition the Court to instruct it with respect to the final disposition of such Property or Properties and the Court’s resulting order shall bind all Parties and other Persons.

## **2.7 Termination of Custodial Trust and Release and Discharge of Custodial Trustee.**

The occurrence of any of the following shall constitute a “Trust Termination Event”: (i) completion of the sale, transfer or other disposition of all of the Properties and distribution of substantially all Custodial Trust Assets in the Custodial Trust Accounts or (ii) completion of the Environmental Actions at all Properties and distribution of substantially all Custodial Trust Assets in the Custodial Trust Accounts, or (iii) exhaustion of substantially all of the Custodial Trust Assets. The Custodial Trustee shall seek a Court order, upon notice to the Parties, excluding the Settlers, terminating the Custodial Trust upon the occurrence of any Trust Termination Event. Termination of the Custodial Trust shall terminate all trusts under this Agreement, the Plan, the Confirmation Order, the Settlement Agreements and any other related

documents or orders, and shall fully discharge and release the Custodial Trustee of all duties and obligations under this Agreement, the Plan, the Confirmation Order, the Settlement Agreements and all other related documents and orders, *provided, however*, that if not already filed, the Custodial Trustee shall file the final report as required by Section 3.2 of this Agreement following such termination.

Prior to termination of the Custodial Trust, the Custodial Trustee shall endeavor to conclude the Environmental Actions, resolve, settle or otherwise dispose of all claims that constitute Custodial Trust Assets, effect the distribution of the Custodial Trust Proceeds and other receipts relating to the Custodial Trust Assets to the Current Beneficiaries and the Secondary Beneficiaries in accordance with the terms hereof, and effect termination of the Custodial Trust as soon as practicable consistent with the Plan and the Confirmation Order and the Settlement Agreements. The Custodial Trust Parties and the Custodial Trust shall be discharged and released from all duties and obligations arising under this Agreement, the Plan, the Settlement Agreements and all other related documents and orders with respect to each individual Property and the Custodial Trust Account related to such Property, at the time (a) each Property is sold, transferred or otherwise disposed of in accordance with this Agreement and any Residual Interest with respect to such Property and the related Custodial Trust Account has been distributed in accordance with this Agreement and, if applicable, the Settlement Agreements, or (b) the Custodial Trust Account relating to such Property is depleted.

**ARTICLE III**  
**ADMINISTRATION**

**3.1 Investment of Custodial Trust Assets.**

The Custodial Trustee shall have no duty to invest the Custodial Trust Assets or the Custodial Trust Proceeds to produce income or gains notwithstanding applicable law to the contrary. Investments of cash or other liquid assets held by the Custodial Trustee shall be administered in a manner consistent with section 345 of the Bankruptcy Code; *provided, however,* that the Custodial Trustee's duty regarding any investment of the Custodial Trust Assets, the Custodial Trust Proceeds, or any income earned by the Custodial Trust, shall be limited to the investment of such assets in demand and time deposits, such as short-term certificates of deposit, in banks or other savings institutions, or other temporary liquid investments, such as Treasury bills, in the Custodial Trustee's sole discretion; and *provided further,* that the scope of any such permissible investments shall be limited to include only those investments, or shall be expanded to include any additional investments, as the case may be, that a liquidating trust, within the meaning of Treasury Regulation section 301.7701-4(d), may be permitted to hold, pursuant to Treasury Regulations, or any modification in the IRS guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise. Solely for the purpose of investing the Custodial Trust Assets and Custodial Trust Proceeds, the Custodial Trustee may commingle such Assets and Proceeds; provided that the Custodial Trustee shall maintain records showing the source of funding for all investments and the proceeds therefrom, and shall pro rata allocate such proceeds from investments among the Custodial Trust Accounts such that the proceeds from investments shall be used for the same purposes as the Custodial Trust Accounts from which the investment was made.

### **3.2 Environmental Information, Budgets and Reports.**

(a) Environmental Information. On or before the Effective Date, the Settlers shall convey to the Custodial Trustee all non-privileged environmental information and/or data regarding the Properties in their possession. Environmental information and/or data includes, but is not limited to, all environmental sampling information acquired by Settlers prior to and during the pendency of the bankruptcy. After the Effective Date, the Custodial Trustee shall provide a copy of all non-privileged environmental information and/or data regarding the Properties to the Lead Agency upon receipt of the information by the Custodial Trustee, or at the very latest within fourteen (14) days thereafter. The Custodial Trustee shall not be required to reproduce the environmental information and/or data regarding the Properties voluntarily produced by the Settlers to the respective Environmental Agencies in connection with the Bankruptcy Cases.

(b) Budgets and Reports. The Custodial Trustee shall maintain on behalf of the Custodial Trust books and records relating to the assets and income of the Custodial Trust and the payment of expenses of, and liabilities against or assumed by, the Custodial Trust in such detail and for such period of time as the Custodial Trustee deems necessary to enable the Custodial Trustee to make full and proper accounting. The Custodial Trustee shall prepare annual budgets of projected expenditures. The first budget for the remainder of the current calendar year and the next calendar year shall be prepared within sixty (60) days following the Effective Date and annual budgets shall be prepared thereafter by each November 1 prior to the beginning of the subject calendar year during the term of the Custodial Trust. Further, by March 30 of each year during the term of the Custodial Trust and within nine (9) months after termination of the Custodial Trust, the Custodial Trustee shall prepare and submit to the Parties an annual report with respect to each of the Custodial Trust Accounts. The annual report shall

pertain to the prior calendar year or, if the report is a final report, such period from the most recent annual report to the termination of the Custodial Trust Accounts. All budgets and reports shall be open to examination during normal business hours by all Current Beneficiaries, pursuant to their reasonable request and upon reasonable advance notice to the Custodial Trustee. Reports with respect to individual Custodial Trust Accounts shall be open to examination during normal business hours or copies provided at no cost, if so requested by those Environmental Agencies in whose jurisdiction such Custodial Trust Accounts hold Properties pursuant to their reasonable request and upon reasonable advance notice to the Custodial Trustee. The written report shall include: (a) a financial statement of the Custodial Trust Accounts at the end of such calendar year or other period as the Custodial Trustee may determine, including a cash flow statement of the receipts and disbursements of the Custodial Trust Accounts for such calendar year or other period as the Custodial Trustee may determine; and (b) a description of any action taken by the Custodial Trustee in the performance of his duties which, in the Custodial Trustee's judgment, materially affects the Custodial Trust Accounts and of which notice has not previously been given to the Parties. The Custodial Trustee shall respond to reasonable requests of the Beneficiaries for additional information. Other than as provided in this Section, no Court review or approval is required with respect to the Custodial Trustee's annual reports; *provided, however*, that the Custodial Trustee may, in his sole discretion, file the written reports with the Court. The Custodial Trustee's final report must be submitted to and approved by the Court after notice to the Parties, excluding the Settlers.

### **3.3 Custodial Trust Accounts.**

The Custodial Trustee shall establish and maintain the Custodial Trust Accounts consistent with Section 2.1(c) of this Agreement. Each Custodial Trust Account may be divided

into such number of trust subaccounts dedicated for specific uses as may be deemed necessary in the sole discretion of the Custodial Trustee to comply with the terms of, and implement, the Settlement Agreements, the Plan, the Confirmation Order and this Agreement. Further, with the approval of the Lead Agency with jurisdiction over the Properties held in two or more Custodial Trust Accounts with a common Settlor, the Custodial Trustee may consolidate those Custodial Trust Accounts.

### **3.4 Manner of Payment.**

Cash payments made by the Custodial Trustee pursuant to this Agreement, the Plan, the Confirmation Order and the Settlement Agreements shall be in United States dollars by checks drawn on a domestic bank selected by the Custodial Trustee, or by wire transfer from a domestic bank, at the option of the Custodial Trustee.

### **3.5 Tax Matters.**

For federal income tax purposes, each Custodial Trust Account is initially intended to be a disputed ownership fund that is taxed as a C corporation. On or around the time the Plan Trust ceases to be a Beneficiary of the Custodial Trust, the Custodial Trustee shall use reasonable efforts to determine whether such cessation alters the federal income status of each Custodial Trust Account of the Custodial Trust, and if the federal income tax status of one or more of the Custodial Trust Accounts of the Custodial Trust is altered, the Custodial Trustee shall take such change into account in managing the Custodial Trust. The Custodial Trustee may rely conclusively upon the advice of counsel and other professionals of his choosing as set forth in Section 4.9, below, in making the determinations and managing the Custodial Trust as set forth in this Section.

### **3.6 Other.**

The Custodial Trustee shall also file (or cause to be filed) statements, returns or disclosures relating to the Custodial Trust that are required by any governmental unit with the applicable authority.

## **ARTICLE IV CUSTODIAL TRUSTEE**

### **4.1 Appointment.**

William L. West shall be the initial Custodial Trustee.

### **4.2 Resignation.**

Except as provided in Section 2.1(f) of this Agreement, the Custodial Trustee may resign by giving not less than thirty (30) days prior written notice thereof to the Parties, including the Plan Trustee for so long as the Plan Trust remains in existence, and when the Plan Trustee is no longer in existence, the Custodial Trustee may resign by giving not less than thirty (30) days prior written notice thereof to the remaining Parties and to the Court. The Custodial Trustee's resignation shall be effective upon written acceptance of the office by a properly designated successor trustee, or upon order of the Court at the request of the Custodial Trustee, whereupon the Custodial Trustee shall be fully and finally released and discharged from all duties and obligations under this Agreement, the Plan, the Confirmation Order, the Settlement Agreements and all other related documents and orders.

### **4.3 Removal and Turnover of Funding.**

In the event the Court determines that the Custodial Trustee has violated a material provision of this Agreement or has caused material Hazardous Substance contamination, or material exacerbation of such contamination, on one or more of the Properties, the applicable

Lead Agency may request the Court to direct that the Custodial Trust Account related to such Property be turned over to the Lead Agency to continue the Environmental Actions consistent with the terms of this Agreement, and, upon such turnover, the Custodial Trustee shall be conclusively deemed fully and finally released and discharged from all duties and obligations under this Agreement, the Plan, the Confirmation Order, the Settlement Agreements and all other related documents with respect to such Properties and Custodial Trust Accounts upon turnover.

The Custodial Trustee may be removed by the Court (i) for gross negligence, fraud, or willful misconduct, such removal to be effective immediately upon notice and the appointment of a temporary or permanent successor, and (ii) for other cause, upon sixty (60) days prior written notice to the Custodial Trustee and the Parties and conclusion of a hearing. Upon removal of the Custodial Trustee, the Custodial Trustee shall be conclusively deemed released and discharged in full from any and all duties and obligations under this Agreement, the Plan, the Settlement Agreements and all other related documents.

#### **4.4 Acceptance of Appointment by Successor Trustees.**

Any successor Custodial Trustee shall be appointed by the Court. Any successor Custodial Trustee appointed hereunder shall execute an instrument accepting such appointment hereunder and shall provide a copy of such instrument to the Parties, including the predecessor Custodial Trustee. Thereupon, such successor Custodial Trustee shall, without any further act, become vested with all the rights, powers and duties of its predecessor in the Custodial Trust with like effect as if originally named herein; *provided, however*, that a removed or resigning Custodial Trustee shall, nevertheless, when requested in writing by the successor Custodial Trustee, execute and deliver an instrument or instruments conveying and transferring to such

successor Custodial Trustee under the Custodial Trust all the rights, powers, and duties of such predecessor Custodial Trustee.

#### **4.5 Administrative Powers.**

The Custodial Trustee's administrative powers hereunder are exercisable solely in a fiduciary capacity consistent with, and in furtherance of, the purposes of the Custodial Trust and not otherwise. In connection with the administration of the Custodial Trust, except as specifically otherwise set forth in this Agreement, the Settlement Agreements, the Plan, or Confirmation Order, the Custodial Trustee is authorized to perform any and all acts necessary and desirable to accomplish the purposes of the Custodial Trust. The powers of the Custodial Trustee shall include, without limitation, each of the following:

- (g) all other fiduciary powers granted under any fiduciary powers act applicable from time to time.

No Person dealing with the Custodial Trustee shall be obligated to inquire into the authority of the Custodial Trustee in connection with the administration, protection, conservation or disposition of Custodial Trust Assets. The Custodial Trustee is authorized to execute and deliver all documents on behalf of the Custodial Trust to accomplish the purposes of this Agreement, the Settlement Agreements, the Plan the Confirmation Order and any related documents and orders.

#### **4.6 Third Party Service Providers.**

The Custodial Trustee, in the exercise of his sole discretion consistent with this Agreement, may retain and pay from the Custodial Trust Assets and the Custodial Trust Proceeds third party service providers to assist in the trust administration, the Environmental Actions and other duties and responsibilities imposed by this Agreement upon the Custodial Trustee. The Custodial Trustee may, but is not required to, seek competitive bids for any service, including consulting and contracting, related to the Custodial Trust and its administration.

#### **4.7 Other Activities.**

The Custodial Trustee shall be entitled to perform services for and be employed by third parties; *provided, however*, that such performance or employment shall not interfere with the full and complete satisfaction of the Custodial Trustee's responsibilities as Custodial Trustee.

#### **4.8 Limitation of Custodial Trustee's Authority.**

The Custodial Trustee shall not engage in any trade or business using the Custodial Trust Assets or any proceeds from the Custodial Trust Assets, except to the extent reasonably necessary to, and consistent with, the purposes of the Custodial Trust.

#### **4.9 Reliance by Custodial Trustee.**

Except as otherwise specifically provided herein: (a) the Custodial Trustee may rely, and shall be protected in relying upon, any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, or other paper or document believed by him to be genuine and to have been signed or presented by the proper party or parties; (b) the Custodial Trustee may consult with legal counsel, financial or accounting advisors and other professionals selected by him and the Custodial Trustee shall not be liable in any capacity for any action taken or omitted to be taken by him in accordance with the advice thereof, *provided, however*, nothing in this paragraph will abrogate or diminish the powers of the Environmental Agencies to seek to implement or enforce applicable law and, if Parties, the terms of this Agreement; and (c) Persons dealing with the Custodial Trustee shall look only to the Custodial Trust Assets that may be available to them consistent with the Settlement Agreements and Plan to satisfy any liability incurred by the Custodial Trustee to such Person in carrying out the terms of this Agreement, the Plan, the Confirmation Order, the Settlement Agreements and any other related documents and orders, and the Custodial Trustee shall have no personal obligation to satisfy any such liability.

#### **4.10 Compensation and Administrative Costs of the Custodial Trustee.**

(a) The Custodial Trustee shall be entitled to reimbursement from the trust estate for expenses incurred by the Custodial Trustee in connection with the Custodial Trustee's duties hereunder, including, without limitation, legal fees, accounting fees, necessary travel, lodging, office rent, postage, personal computer and printer, photo copying, telephone and facsimile charges.

(b) The Custodial Trustee shall be entitled to compensation for services rendered in connection with the creation and administration of the Custodial Trust at the hourly rate of \$195.00 per hour, commencing June 8, 2006. The Custodial Trust shall be permitted to pay legal fees incurred in connection with the creation of the Custodial Trust commencing as of May 25, 2006, in accordance with Custodial Trustee's agreement with his counsel, and to pay legal fees, if any, incurred in discharging his duties pursuant to and defending any action arising out of or in connection with this Agreement, the Settlement Agreements, the Plan, the Confirmation Order and any other related documents and orders.

#### **4.11 Bond.**

The Custodial Trustee shall serve without bond.

## ARTICLE V

### RIGHTS AND LIABILITY OF PARTIES.

#### 5.1 Liability of Custodial Trustee.

Notwithstanding any other provision of this Agreement, the Plan, the Confirmation Order, the Settlement Agreements or any other related documents and orders, the Custodial Trustee and all members, employees, officers, directors, and the professionals and attorneys employed by the Custodial Trustee (collectively with the Custodial Trustee, but not the Custodial Trust, the “Custodial Trust Parties”) shall not be liable in their personal capacity to any of the Custodial Trust Accounts, any Beneficiaries, any Environmental Agency, or any other Person with respect to any liabilities associated with, related to in any way or arising from the Properties or hereunder, except for actions or omissions to act to the extent such actions or omissions to act are determined by a final order of the Court or ultimate final order of any appeal from an order of the Court to be due to the Custodial Trust Parties’ own gross negligence, willful misconduct, or fraud after the Effective Date. The Custodial Trustee, in his capacity as Custodial Trustee, undertakes to perform such duties and only such duties as are specifically set forth or referred to as duties of the Custodial Trustee in this Agreement and in performing such duties, the Custodial Trustee shall be deemed to be fulfilling his duties so long as the Custodial Trustee’s actions or omissions do not constitute gross negligence, willful misconduct or fraud on the part of the Custodial Trustee; *provided, however*, nothing in this paragraph will abrogate or diminish the powers of the Environmental Agencies to implement or enforce applicable law and, if Parties, the terms of this Agreement. The Custodial Trust Parties, in all their capacities, shall be accorded, under this Agreement, the Plan, the Confirmation Order, the Settlement Agreements, and any other related documents and orders, the broadest permissible protection

available under law with respect to any and all liability associated with, in any way related to, or arising from the Properties. Without limiting the generality of the foregoing, with respect to liability in any capacity for activities undertaken pursuant to this Agreement, the Custodial Trust Parties shall to the fullest extent permitted by law: (a) be entitled to the protection of 42 U.S.C. § 9607(n), and all equivalent and similar provisions of state and local law, including, without limitation, O.R.C. § 3746.27(A), 415 ILCS 5/22.2(h)(2)(D), and MCL § 324.20101-20101b; (b) not be considered or deemed to be the owner or operator, as defined in 42 U.S.C. § 9601(20) or any equivalent provisions of state or local law, of any Properties; and (c) not otherwise be liable under any Environmental Law with respect to, in any way related to, or arising from any Properties.

The Settlers, the Custodial Trust and Custodial Trust Parties will have the benefits provided to them in the Settlement Agreements. Notwithstanding anything to the contrary contained herein, the Custodial Trustee shall not be required to take action or omit to take any action if, after receiving the advice of counsel of his own choosing, the Custodial Trustee believes such action or omission is not consistent with the Custodial Trustee's fiduciary duties or would expose the Custodial Trustee to liability; *provided, however*, nothing in this paragraph will abrogate or diminish the powers of the Environmental Agencies to seek to implement or enforce applicable law and, if Parties, the terms of this Agreement.

Any action taken or omitted to be taken by the Custodial Trust, the Custodial Trust Parties or any of them with the approval of the Court shall not, and is irrefutably deemed hereby not to, constitute gross negligence, willful misconduct, or fraud.

## **5.2 Release; Exculpation.**

Notwithstanding any other provision in this Agreement, the Plan, the Confirmation Order, the Settlement Agreements, or any other related documents and orders, the Custodial Trust Parties shall be and hereby are irrevocably and forever released, discharged and exculpated by all Persons, including, without limitation, the Parties, Beneficiaries, holders of Claims against and Equity Interests in the Debtors, Governmental Agencies and all other parties in interest, of and from any and all Claims, causes of action and other assertions of liability arising out of the ownership and operation of the Properties prior to the Effective Date and the discharge of the powers and duties conferred upon the Custodial Trustee and the Custodial Trust Accounts by this Agreement, the Plan, the Confirmation Order, the Settlement Agreements and any other related documents and orders entered pursuant to or in furtherance of the Plan, Settlement Agreements or this Agreement, or applicable law or otherwise, other than actions or omissions to act to the extent determined by a final order of the Court to be due to the Custodial Trust Parties' own respective gross negligence, willful misconduct, or fraud after the Effective Date. Further, the Custodial Trust and the Custodial Trust Parties shall have no liability for any contracts or unexpired leases of the Debtors unless such contracts or unexpired leases are expressly assumed and assigned to a specific Custodial Trust Account pursuant to the terms of the Plan, any order of the Court, or an express assignment on or after the Effective Date. Liability associated with, related to in any way or arising from the Properties shall be limited to the Custodial Trust Account owning such Properties (except for certain administrative expenses that do not

constitute Environmental Costs as to which liability shall be limited to the Administration Custodial Trust Account). The Agency Beneficiaries and the States they represent, the United States, the Debtors, the Custodial Trust Parties, Plan Trust, the Plan Trustee, New HoldCo and NewCos shall not be deemed to be an owner or operator of the Properties; *provided, however*, nothing herein shall relieve any Person, other than the Custodial Trust Parties in their personal capacity consistent with Sections 4.9 and Article V of this Agreement, of any liability for any new acts after the Effective Date to the extent those new acts create liability under Environmental Laws with respect to the Properties, including operation or ownership of the Properties after the Effective Date. For the avoidance of doubt, the issuance, support and continued maintenance of letters of credit or other Funding that may be provided under Section 2.1(b) by or at the direction of the New HoldCo and/or the NewCos shall not constitute a “new act” giving rise to liability under this Agreement.

### **5.3 Dispute Resolution.**

Except as specifically otherwise provided in Sections 2.4(b), 2.6(b) and 6.11(b) hereof, and notwithstanding any other provision of this Agreement, the Plan, the Confirmation Order, any Settlement Agreement or any other related documents and orders, the dispute resolution procedures of this Section 5.3 shall be the exclusive mechanism to resolve disputes among any of the Parties and/or any Beneficiaries and/or any other entities arising under or with respect to this Agreement or any Settlement Agreement, or concerning any right, duty or liability of the Custodial Trust and any of the Custodial Trust Parties.

(a) Except as set forth in Section 5.3(b) of this Agreement, any Parties to or Beneficiaries of this Agreement or other Person with such a dispute shall attempt to resolve expeditiously such dispute. Any Person seeking dispute resolution shall first provide the

USEPA, the Lead Agency and the Custodial Trustee with an “Informal Notice of Dispute” in writing and request an informal dispute resolution period, which shall be thirty (30) days unless the parties to the dispute agree otherwise in writing. If the parties to the dispute are unable to resolve the dispute within the informal dispute resolution period, any party to the dispute may file a motion with the Court, and, solely if the Court determines that it does not have jurisdiction or chooses not to exercise jurisdiction to determine the dispute, with a federal court of competent jurisdiction, for resolution of that dispute, and the resulting final order shall bind all Parties, Beneficiaries and other Persons; *provided, however*, that if all the parties to the dispute agree, an alternative tribunal or mechanism may be used to resolve their dispute; *provided further*, that any dispute between the Custodial Trustee and an Environmental Agency regarding the modification, disapproval, or other action of the Environmental Agency regarding any submittal or request for approval by the Custodial Trustee related to the scope or means of implementing the Environmental Actions shall be resolved in accordance with the existing state or federal- depending upon which is the Lead Agency-administrative or judicial review procedures for challenging such actions, if available. If there is no such procedure available to review such actions, the dispute shall be resolved in accordance with the procedure described in this paragraph.

(b) In the case of disputes solely between or among Environmental Agencies, any Environmental Agency seeking dispute resolution shall first provide the other affected Environmental Agency with an “Informal Notice of Dispute” as set forth in Section 5.3(a), with a courtesy copy to the Custodial Trustee. If the parties to the dispute are unable to resolve the dispute within the informal dispute resolution period provided for in Section 5.3(a), the officials of the disputing Environmental Agencies with authority to resolve the dispute shall then meet

and resolve the dispute. There shall be no judicial review of the dispute resolution process solely among Environmental Agencies.

### **MISCELLANEOUS PROVISIONS**

#### **6.1 Intention of Parties to Establish a Disputed Ownership Fund.**

This Agreement is intended, for the period of time that the Plan Trust is in existence and the Current Beneficiaries remain beneficiaries of the Custodial Trust, to create a disputed ownership fund pursuant to Treasury Regulation Section 1.468B-9 that is taxed as a C corporation for federal income tax purposes and, to the extent provided by law, is intended to be governed and construed in all respects as a disputed ownership fund that is taxed as a C corporation.

#### **6.2 Preservation of Privilege.**

In connection with the rights, claims, and causes of action that constitute the Custodial Trust Assets, any attorney-client privilege, work-product privilege, or other privilege or immunity attaching to any documents or communications (whether written or oral) transferred to the Custodial Trust shall vest in the Custodial Trustee and his representatives, and the Parties are authorized to take all necessary actions to effectuate the transfer of such privileges.

#### **6.3 Cooperation.**

The Settlers shall provide the Custodial Trustee with copies of such books and records as the Custodial Trustee shall reasonably require for the purpose of performing his duties and exercising his powers hereunder. Consistent with his fiduciary duties, the Custodial Trustee shall take such actions and execute such documents as are reasonably requested by Debtors, New

HoldCo, and/or NewCos with respect to effectuating the terms of this Agreement and the transactions contemplated therein. To the extent that Debtors, New HoldCo, and/or NewCos request the Custodial Trustee to take such an action, the Custodial Trustee shall do so at the sole expense of requesting party.

#### **6.4 Prevailing Party.**

Absent applicable law to the contrary, if the Custodial Trustee or the Custodial Trust, as the case may be, is the prevailing party in a dispute regarding the provisions of this Agreement or the enforcement thereof, the Custodial Trustee or the Custodial Trust, as the case may be, shall be entitled to collect any and all costs, expenses and fees, including attorneys' fees, from the non-prevailing party, excluding Agency Beneficiaries, incurred in connection with such dispute or enforcement action.

#### **6.5 Laws as to Construction.**

This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio, without giving effect to rules governing the conflict of law that would require the application of the law of another jurisdiction.

#### **6.6 Severability.**

If any provision of this Agreement or application thereof to any Person or circumstance shall be finally determined by the Court to be invalid or unenforceable to any extent, the remainder of this Agreement, or the application of such provision to Persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and such provision of this Agreement shall be valid and enforced to the fullest extent permitted by law.

## **6.7 Sufficient Notice.**

Any notice or other communication hereunder shall be in writing and shall be deemed to have been sufficiently given, for all purposes, if (a) delivered personally, when delivered, (b) when delivered pursuant to the provisions of Sections 2.4(b), 2.6(b) or 6.11 of this Agreement, or (c) three days after deposit in the United States mail, with postage prepaid, properly addressed to the Person for whom such notice is intended.

## **6.8 Headings.**

The section headings contained in this Agreement are solely for convenience of reference and shall not affect the meaning or interpretation of this Agreement or any term or provision hereof.

## **6.9 Actions Taken on Other Than Business Day.**

If any payment or act under this Agreement is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

## **6.10 Consistency of Agreements; Construction.**

To the extent reasonably possible, the provisions of this Agreement shall be interpreted in a manner consistent with the Plan, the Settlement Agreements and the Confirmation Order. Except with respect to the provisions of Article V of this Agreement, which, if inconsistent with any other document, shall nevertheless prevail, if the provisions of this Agreement are irreconcilable with the provisions of the Plan, the Settlement Agreements and the Confirmation Order, the provisions of the Plan, the Settlement Agreements and the Confirmation Order shall prevail.

## **6.11 Amendment of Trust.**

(a) The provisions of this Agreement related to specific Custodial Trust Accounts may be amended by the mutual agreement of the Custodial Trustee, the Plan Trustee and the Agency Beneficiaries with an interest in such Custodial Trust Accounts without Court approval. Absent consent of the required parties, provisions of this Agreement related to specific Custodial Trust Accounts may be amended pursuant to the procedures set forth in Section 6.11(b).

(b) Administrative provisions of general application may be amended only after providing notice and an opportunity to object as set forth herein. The Custodial Trustee shall provide written notice of his intention to amend this Agreement to the Plan Trustee and Environmental Agencies (the “Amendment Notice Parties”), who shall have twenty (20) days after the date of receipt of such written notice to object (the “Amendment Objection Period”) to the proposed amendment. The Custodial Trustee may proceed to make the proposed amendment upon the expiration of the Amendment Objection Period unless, prior to the expiration of such period, it receives a written notice of objection from one of the Amendment Notice Parties. If the Custodial Trustee receives one or more objections, it may make such amendment only (i) after all timely and proper objections are withdrawn and notice of such withdrawal has been provided to the Amendment Notice Parties, or (ii) upon order of the Court.

#### **6.12 Jurisdiction.**

The Court shall retain exclusive jurisdiction with respect to interpretation and implementation of this Agreement and the operation and administration of the Custodial Trust Accounts. Notwithstanding the foregoing and without limiting the jurisdiction of the Court, with respect to a governmental unit's exercise of police or regulatory power only, the jurisdiction of any other tribunal shall not be reduced or impaired from that set forth in any applicable, valid statutory grant of jurisdiction. The foregoing statement, however, should not be construed as an acknowledgement of exclusive or preeminent jurisdiction of a tribunal other than this Court in which a governmental unit may seek to exercise its police or regulatory power.

IN WITNESS WHEREOF, the parties hereto have either executed and acknowledged this Custodial Trust Agreement, or caused it to be executed and acknowledged on their behalf by their duly authorized officers all as the date of the first above written.
